

“Our theatre is a major performing arts center for the Leeward area of O‘ahu. We take pride in the many opportunities we offer our students to learn and the array of shows and performances we share with our over 100,000 annual theatre goers.”

LEEWARD COMMUNITY COLLEGE
THEATRE

Bringing a World of Art & Culture to Our Community

UNIVERSITY of HAWAII®
LEEWARD
COMMUNITY COLLEGE

To say that the theatre at Leeward Community College has changed the lives of its students is an understatement. Over 6,000 students have learned, created and found their wings over the 40 years since the theatre has been in existence. Some have gone on to find their creative expression creating their own companies, performing in community theatre in Hawai'i, on Broadway, and around the world. Many more are working in the industry as stage technicians, designers, theatre managers and more.

The Leeward CC Theatre is a center for learning and crafting as well as an important part of the community, offering:

- National and International Performances
- Master dance classes
- Master drama classes
- Annual Ballet Hawai'i and Hawai'i Ballet Theatre performances
- International stars such as Ben Vereen, Laurie Anderson, Angeliqe Kidjo, Sweet Honey in the Rock, Spanish Harlem Orchestra and Ladysmith Black Mambazo

For 40 years the theatre has provided opportunities for students and community groups to showcase their talent and hard work.

A Renovation

Now we will renovate and improve the theatre for both audiences and performers. Planned changes include moving and expanding the ticket office, larger restroom facilities, improved seating, refinishing the stage and installing brighter, more efficient lighting to emphasize the vibrancy of the theatre.

Creative Naming Opportunities

To ensure the theatre is viable and maintained for the next 40 years, we now offer both limited term (5 years) and permanent naming opportunities. Limited term naming will support the Friends of LeewardCC Theatre expendable fund. Permanent naming will support the Friends of LeewardCC Theatre Endowment.
