1. Please notify the UH Foundation, preferably in writing, of the pending gift (number and description of shares) and its designation/purpose. (See sample letter.)

2. The date of the gift will be the date the shares are actually received in the UH Foundation's account. The value of the gift will be the mean price (average of high and low prices) on that date. A receipt for the gift will be issued accordingly.

3. It is the UH Foundation’s policy to dispose of the shares immediately. The net proceeds will be available for the designated purpose indicated by the donor.

Certificates held by the donor:

1. Please deliver or mail the unendorsed certificate to the UH Foundation at P.O. Box 11270, Honolulu, HI 96828-0270. If the certificate is mailed, then please also mail under separate cover a blank stock power signed by the individuals named on the certificate. (This will prevent the securities from being readily negotiable.) The date of the gift will be the postmark date of the later of the two envelopes.

2. The date of the gift will be the date of the certificate. Upon receipt, the certificate will be forwarded to Merrill Lynch for disposition.

Mutual Funds:

1. If you are making a gift of mutual funds, please find out the exact name of the fund/s. Each fund family has its own rules for transfer of shares. We may have to open an account with the mutual fund company to accept and dispose of the shares. Please call Kara Shibata, Controller at (808) 376-7857 for further assistance.
