**tiktok is still relatively new even when you allow for its previous life as muscial ly therefore people are still discovering the best ways to succeed on the platform ironically one of the most successful methods is to work tiktok along with another network some of the top tiktok influencers also perform exceptionally well on youtube with best of tiktok type compilations and they manage to take advantage of youtube s established advertising system**

obviously the higher your engagement rate the more successful brands will consider you and the higher they will be willing to pay it is difficult to find overall engagement rates for tiktok all the published ones appear to wrongly equate engagement with the percentage of people opening the app once a day however like most social media networks you can calculate your individual tiktok engagement with the following formula number of hearts number of comments number of followers x100 you can calculate this either for a single post or overall we suggest that you add together the figures for your last 20 posts when you make this calculation overall

you need to begin by asking why people would want to follow you what do you offer that thousands of other accounts don t is it entertainment are you a good singer musician dancer or stand up comedian are you so bad at those things that you can make your videos funny can you create entertaining prank videos can you motivate people

or provide them with helpful hints to improve their lives or are you merely yet another lip syncher who doesn't add any value to your video clips

this also helps you better know your audience you're not making videos for yourself nor should you make a wide range of videos trying to keep everybody happy successful tiktokers make videos that they know their audience will love it is much easier to devote your attention to a particular group of people rather than just making random content

i'm giving you an awesome website to get tons of tiktok coins for your account wondering how people are making money on tiktok this article will clear all your doubts about that time to earn some bucks
