until tiktok s advertising network develops further the easiest way for tiktok influencers to earn money is by making direct arrangements with brands as people become better known on the platform they will begin to have brands approach them with business propositions once you count your followers in the thousands you can start to look at monetizing tiktok companies have been known to pay 200 to 20 000 per branded video promoted by influencers depending on the individual s level of influence

**most people begin on tiktok with a limited budget equipment and skills over time you should be able to develop your skills and hopefully once you can generate money you can improve your budget and equipment as well the key to success on tiktok is to produce high quality videos**

**unlike youtube tiktok users don t get to share in the advertising revenue on the platform so you have to find other ways to earn money on tiktok this makes the amount you can make more variable on tiktok however once you make a name for yourself the money you earn on tiktok can be very lucrative according to our tiktok influencer engagement and earnings calculator charli d amelio potentially earns 56 000 94 000 per post**

don t forget to interact with your viewers make sure that you reply to comments that people leave on your videos it may seem like hard work to you but it makes your followers believe you care and take notice of them

you will also want to set up a consistent pattern so that your audience knows what to expect there s little point in being a one hit wonder if people know to expect a specific type of video for you each tuesday and friday they will begin to expect it and return to tiktok on those days to watch your latest video they are also more likely to tell their friends about you widening your audience further

no need to give an introduction about tiktok i know that but there might be people who came here out of curiosity because we are talking about making money that will fetch some users to have a read so basically tiktok is a mobile

app platform developed by a chinese firm called bytedance tiktok was previously musical ly and then the developers decided to release tiktok which is a better version of musical ly you can post tiny videos of maximum 15 seconds in this app you can join these tiny videos together to post a video of maximum 60 seconds and now you can also get tiktok coins on your account i think the team is going to add more features soon

there is no set magic number of followers needed to make a living on tiktok the essential factor is the strength of your following sure the more followers you have the more likely that some will buy your or your sponsor s products but they will only take notice of you if you re a genuine influencer i e you have to make your followers sit up and take note of your videos accounts with 500k to 1 million followers have the highest average engagement rate overall
