Aloha!

Thank you for sharing in this special occasion with the Kaua'i Community College 'ohana. Your support of the Tsutomu Yamasaki and Fumie Yoshimori Yamasaki Educational Scholarship Fund will provide financial assistance to Kaua'i students pursuing their educational goals at any of the 10 campuses of the University of Hawai'i and ensure a legacy of educational opportunities here on Kaua'i. As I retire from the college, I feel deep gratitude for the many hands and hearts that helped to move the college forward during my tenure. To all who have been part of my experience here on Kaua'i, I extend my aloha and mahalo.

Me ke aloha pumehana,

Peggy Cha

The Tsutomu Yamasaki and Fumie Yoshimori-Yamasaki Scholarship Fund

Proceeds from this event will benefit an endowed scholarship fund established by Peggy and her sisters, Bette Uyeda and Jean Toyama, in honor of their parents, who, although they were only able to attend school through the 8th grade, strongly emphasized the importance and value of education to their daughters. In doing so, they both worked hard and sacrificed to ensure that Peggy and her sisters persevered in acquiring as much education as possible. The Tsutomu Yamasaki and Fumie Yoshimori-Yamasaki Scholarship Fund will assist students within the UH system with financial need, and preference shall be given to single parents and first-generation college students.
